## JOB-RELATED SKILLS

---

Keen interest in Research&Development field is manifested, fascinating, above all, to analytical -omics processes and investigating biological properties, chemical pathways, environmental risks and quality control of nutraceuticals products.

Different technical skills have been developed through many experimentations during the Bachelor course, both at the 'University Federico II of Naples' and at the 'University of Oviedo' - Erasmus/LLP: for example, hops (*Humulus lupulus*) *in vitro* growth culture supplemented with phytohormones, from which DNAAs been isolated with phenol-chlorophorm extraction kit, genome and transcriptome analysed using Polymerase Chain Reaction (PCR), antibodies and proteome assessed with Enzyme-Linked ImmunoSorbent Assay (ELISA), Organism Genetically Modified (OGM) identification with genomic markers, Spectro-photometric UV-Vis quantification of several compounds.

Egregious laboratory dexterity has been developed attending an internship to the "ICB – CNR" closely working with an excellence team of professionals researchers, learning how to prepare culture media in sterile condition, to quantify cell density utilizing a Bürker counting chamber coupled with a phase contrast light microscope, isolating and characterizing chemicals utilizing solvent extraction Chromatography separation, purification technique coupled with Mass Spectroscopy (TLC, HPLC, GS-MS) and Nuclear Magnetic Resonance (NMR). Furthermore, attending the 'MSc Plant, Food Science, Environmental Biotechnology' other lab skills have been gained during which is making cDNA Cloning into Plasmid Vector, Miniprep, RNA isolation, Electrophoresis in Agarose gel, SDS-PAGE, qPCR, Real Time-RT-PCR, Bioinformatic pipeline for protein and nucleotide manipulation sequencing, alignment, assembly and annotation (EMBLE/EBI-NCBI-DDBJ consortium resources, SMS, Blast, Clustal W, Primer Design, Mascot, etc.), molecular 3D modelling (RasMol, wwPDB, UniProt, etc.) and pathway unrevealing (Reactome, Phanter, Kegg, etc.).

Digital skills: information processing, communication, content creation, safety, problem-solving (proficient user).
